Subject: Preparation of Your 2021 Tax Returns

Thank you for choosing King Accounting and Tax to assist you with your 2022 taxes. This letter confirms the terms of our engagement with you and outlines the nature and extent of the services we will provide.

We will prepare your 2021 federal and state income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit. Please use the organizer to help you collect the data required for your return. The organizer will help you avoid overlooking important information. By using it, you will contribute to the efficient preparation of your returns and help minimize the cost of our services.

We will perform accounting services only as needed to prepare your tax returns. Accounting services will be billed in addition to your tax preparation work. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. You are ultimately responsible for the accuracy of your return(s) and should review all returns carefully before signing.

The law imposes penalties when taxpayers underestimate their tax liability. Be very diligent about including all your sources of income. Please call us if you have concerns about such penalties.

If there is an error on the return which results from incorrect information supplied by you, you are responsible for the payment of any additional taxes which would have been properly due on the original returns(s) and any interest and penalties charged by the IRS. If we have made an error, other than an error caused by incorrect information you supplied, we will be responsible for payment of penalties. We will not pay any additional tax due since that tax would have been payable had the tax return been correctly prepared. We do not pay interest because you have had use of the monies in the interim.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf the alternative you select.

FEES for individual tax returns will be computed according to our current fee schedule, plus any out-of-pocket expenses. Organizing records and compiling figures for entry on the tax return (accounting services) will be billed at \$125.00 per hour. Such charges are in addition to the tax return preparation fee schedule. Full payment of your tax preparation fee and any additional charges is required before we will electronically file your return or release the paper return to you. We reserve the right to ask for retainer fees to be paid in advance of work done from new clients and from any client with whom we have experienced payment problems. Rates are subject to change and are updated annually. One copy of your tax return will be provided to you for your files. Additional copies at the time your return is printed or anytime afterwards are \$25.00 each.

We will return your original records to you at the end of this engagement. Store these records, along with all supporting

documents, canceled checks, etc. in a secure location in case these items are needed later to prove accuracy and completeness of a return. We retain copies of your records and our work papers for your engagement for three years, after which these documents will be destroyed.

Our engagement to prepare your 2021 tax returns will conclude with the delivery of the completed returns to you (if paper-filing) or your signature and our subsequent submittal of your tax return (if e-filing). If you have not selected to e-file your returns with our office, you will be solely responsible to file the returns with the appropriate taxing authorities. Review all tax-return documents carefully before signing them. Unless an exception applies, any work, such as responding to letters regarding your tax return performed by us beyond the preparation and electronic filing of your tax return is not included in the tax preparation fee and will be billed at our rates at the time such service is performed.

Please note: Our responding to any and all IRS letters subsequent to filing your tax return is not included in the tax preparation fee and will be billed at current rates at the time of service.

Extension Requests: Please contact us if you would like an extension of time to file your return. This may be necessary if you do not submit all of your tax information to us by April 1. Even if you file an extension request, you may be assessed penalties and interest if you have paid less than 100% of your current tax liability by the filing deadline. Extensions are granted for filing your return, not for paying your tax. We do not automatically file extensions.

To affirm that this letter correctly summarizes your understanding of the arrangements for this work, sign this letter in the space indicated and return it to us with your tax information. When sending your information to us, please use the secure portal to upload your documents. You are responsible for any data that may be compromised if you do not send it to us in a secure manner such as sending documents via email without password protecting them.

We appreciate your confidence in us. Please call us at (949) 922-4200 if you have any questions.

Sincerely,

Scot King, CPA

## **2021 Information Pertaining to the American Rescue Plan Act (ARPA)**

On March 11, 2021, the President of the United States signed into law the American Rescue Plan Act (ARPA) that authorized a third round of stimulus payments and advanced payment of the Child Tax Credit. The IRS issued notices that provided the amounts you received for these payments. This information is necessary to accurately complete your 2021 individual tax return. Information provided below explains what notice you received and how to obtain the information if you no longer have the notice or have yet to receive a letter.

### **Stimulus Payment (Economic Impact Payment (EIP))**

The third round of EIP or stimulus payments began mid-March 2021. Individuals could have received up to \$1,400 (\$2,800 for married couples filing a joint return). Qualifying dependents may have also received \$1,400. Unlike the first two payments, EIP3 was not limited to children under 17. Families may have received the payment based on all of the qualifying dependents claimed on the tax return. Most families received \$1,400 per person, meaning, a single person with no dependents may have received \$1,400 while a family of four may have received \$5,600. Notice 1444-C was sent following the payments and Letter 6475 will be issued in January 2022 with a combined total.

If you no longer have Notice 1444-C, or have not received Letter 6475, log in to your IRS Online Account to get the accurate amount of EIP3 received.

1. Go to [irs.gov](https://irs.gov).
2. Select "View Your Account Information."
3. Select "Log in to your Online Account" and follow the prompts provided.

### **Advance Child Tax Credit Payments**

Under ARPA, the maximum amount for the Child Tax Credit (CTC) was increased from \$2,000 to \$3,600 for each child 5 years old and under. For children ages 6 - 17, the maximum increased to \$3,000. In July 2021, eligible families that did not opt out began receiving advanced CTC payments up to \$300 per month for each child age 5 and under and up to \$250 for each child between the age of 6 and 17. IRS will issue Letter 6419 to provide the amount received per taxpayer and how many children were taken into account to determine the amount received.

If you no longer have Letter 6419, or have not yet received it, follow the directions above to log in to your online account to access the Child Tax Credit Update Portal or log directly in to the portal using the instructions below. For married couples filing a joint return, the taxpayer and spouse will both need to log in to get the amount apportioned to each taxpayer.

1. Go to [irs.gov](https://irs.gov).
2. Select "Child Tax Credit Update Portal."
3. Select "Manage Advance Payments" and follow the prompts provided.
